

A good(s) life

Possibilities and realities of sustainable entrepreneurship

A **good(s) life** is a Youth Exchange being part of the **Erasmus Plus programme** and it is organized by Legambiente Lecco. It will involve **24 young people, between 21 and 30 years of age**, from the following Countries: Czech Republic, Serbia, France, Italy.

The topic? **Sustainable youth entrepreneurship**. Several related activities will take place, including: meetings, exchanges of ideas and of good practices, study visits, documentary screenings and the creation of a business plan.

The Exchange will be held **from August 23rd to August 31st, 2018** at **Ostello Parco Monte Barro in Galbiate** (Lecco, Italy): a real-life, successful example of sustainable entrepreneurship put into action.

Accommodation costs and meals will be fully covered by the EU.
